Priority	Symbol	Name	Description	Example
(Last)		1 finger	New idea	Raise a new point/idea (80% of hands should be this symbol)
		2 fingers	Comment	Someone raised an idea, and you want to follow up on that
		Hooked finger	Question	You are confused by something that was said, and would like more information or clarification.
		Hashtag	Solution	The discussion is almost at an end, and you want to summarise the discussion into a suggested solution
(First)		Timeout	Important info	Important information that will impact the discussion - e.g. this problem has already been solved in paper X, so there is no reason to discuss it
